

CLUBS

QUIZ CLUB

The Quiz Club of Chettinad Vidyashram has been training students in quizzing. Quiz enthusiasts from class VI onwards join the club to enhance their skill.

HERITAGE CLUB

This club aims at educating the students about respecting and protecting our Heritage. To inculcate values of safe-guarding property is essential in this age.

ECO CLUB

Eco Club of CV plays an important role in creating environmental awareness. It motivates the students to keep their surroundings tidy & clean. Several activities in this regard like poster competition, slogan competition, campus cleaning drive, participation in cycle rallies etc. are organized.

MATH CLUB

Math Club is functioning from 2010 onwards. The main idea is to develop the analytical skill and logical thinking, to inculcate interest in Math, to remove Math phobia, to bring out the hidden talents of the children and to create competitive spirit in children. We have a separate site which is provide numerous activities based on math which can be downloaded and worked out.
